Speedpro Imaging, Henrico, VA

Sept 2018– Feb 2019

Production Manager

- Responsible for all aspects of the production, which includes preparing and loading substrates, mounting or laminating prints, weeding excess vinyl, cutting/trimming, and packaging.
- Handling all of the design and pre-production setup.
- Experienced in operating various equipments including Roland Banner, Graphtec Plotter, Hp Latex 260, EFI H1625 Flatbed, and Kongsberg CNC Router/Cutter.
- Experienced with installing various substrates of vinyl and signs.

Copy Cat Printing, Henrico, VA

May 2014 – Aug 2018

Graphic Designer & Printing Specialist

- Meet with new and existing clients to discuss printing needs, pre-press production.
- Keep track of inventory which involves communicating with vendors.
- In charge of “art captures.” Artists bring in their pieces to be “captured” in our photography studio in order to produce high quality prints.
- Other print shop tasks include bindery and finishing.

Interests

Traveling, soccer, rugby and photography. My photography has been recently published in Richmond Magazine, Richmond Bride Magazine and Richmond Region Visitors Guide.
